

EXHIBIT'S 8 & 9

**CALL HANDLING AGREEMENTS
AND
AID OUTSIDE NORMAL JURISDICTIONAL
BOUNDARIES AGREEMENTS**

AGREEMENT

APPROVED

Whereas, the costs attendant with providing cost effective back-up PSAP (Public **Safety Answering** Point) 911 services to those persons **within** Mason County is impractical and **prohibitive** without **intergovernmental** cooperation between Counties and Cities, and

Whereas, it has **been** determined by the corporate authorities **of the** County **of Mason** and the City **of Havana**, respectively, that this agreement is in the best interests of each of the signatory **governments**:

Now Therefore,

1 In the event **of approval** by the Illinois Commerce Commission **of Mason** County Emergency Telephone Systems Board's Final 911 Emergency reporting system, Mason County agrees to provide the following services to the City of Havana through the Mason County Emergency Telephone System Board:

- a. The Mason County Emergency Telephone Systems Board will pay to install a secondary PSAP at the City of Havana Police and Fire **facility** with capabilities to the standards of the Illinois Commerce Commission for an enhanced secondary PSAP. The Mason County Emergency Telephone Systems Board shall select the vendors used to maintain the secondary PSAP equipment owned by the Mason County Emergency Telephone Systems Board. Equipment added to the PSAP by the City **of Havana Chief of Police** and Fire Departments must be compatible to the PSAP equipment. The City **of Havana** Police and Fire Departments may choose its vendors for its equipment. All equipment **installed** in the PSAP shall be made **after** consultation and approved by the Mason County Emergency Telephone Systems Board chosen PSAP vendor. Final connections to the PSAP shall be made by the Mason County Emergency Telephone Systems Board chosen PSAP vendor.
- b. The secondary PSAP equipment purchased and **maintained** by the Mason County Emergency Telephone Systems Board may be used by the City **of Havana** as its primary dispatch **center** for police and fire departments and ambulance service **within** the city **limits**. **Each** PSAP shall be the back-up for the other:
- c. The Mason County Emergency Telephone Systems Board will provide and maintain a copy of the Mason County 911 Call Handling and dispatching Standard Operating Procedures to the City of Havana. **This** document will include a listing of response units by agency;
- d. In the event **of a** catastrophic **PSAP** failure at the Mason County Dispatch Center in which **the expected down** time exceeds one hour, the Mason County Sheriffs Department will assign a **telecommunicator** to the City **of Havana** Police **and** Fire facility to **answer and** dispatch calls for **service** originating from Meson **county**;
- e. **All** dispatchers answering calls from either the primary or secondary PSAP will be considered as **an** agent of the Mason County Emergency Telephone Systems Board for the purposes of liability. **All current** Meson County policies and procedures are to be followed at both **PSAPs**. The Mason County Emergency Telephone Systems Board will name the City of Havana as **an** additional insured party on its pertinent policies regarding all dispatching;
- f. **All future expansions of the secondary PSAP equipment** shall be **the responsibility of the Mason County** Emergency Telephone Systems Board
- g. In the **event** that the **secondary** PSAP must be moved for the relocation of City of Havana facilities, the Mason County Emergency Telephone Systems **Board** shall pay its **proportionate** share of the expenses. **Prior** to **any** such expenditure, the city **of Havana** will transmit in writing an explanation, justification, and estimate for the expenditure. The Mason County Emergency Telephone Systems Board will consider each **request** in good faith and will not unreasonably withhold its approval.
- h. The Mason County Emergency Telephone Systems Board **will**, through its primary PSAP, **provide** the secondary PSAP back-up **during** routine **maintenance** of equipment, **PSAP failure**, necessary evacuation or the when **PSAP** exceeds its capacity to answer incoming 911 calls..

- i. **The Mason County PSAP will have** control and custody of all 911 data systems records
- 2 For in consideration of the forgoing services by the Mason County **Emergency** Telephone systems Board, the City of Havana shell provide the following **services** in the **event of approval** by the Illinois Commerce Commission of Mason County **Emergency** Systems Board's **Final** 911 Emergency reporting system:
- a The City **of Havana** will provide access to the **secondary** PSAP to authorized personnel upon demand without unreasonable delay;
- h. The City of Havana will provide back-up VI I services to the Mason County Emergency Telephone Systems Board et no charge. The City of Havana will provide back-up VI I services to the Mason County Emergency Telephone Systems Board when **usage** of the **Mason** County primary PSAP exceeds its capacity, during routine maintenance to the Mason County PSAP equipment, failure **of the** primary PSAP or necessary PSAP **evacuation**. Such services will be provided without additional charge, unless the provision of **such** services requires the use of additional City of Havana personnel, in which event, the Mason County Emergency Telephone Systems Board will provide the **necessary** personnel. The Mason County Emergency Telephone Systems Board will reimburse the City of **Havana** for **actual** expenditures directly related to the provision of **such** services;
- c. The City of Havana will provide for the protection and safekeeping of all communications equipment located within the secondary **PSAP**;
- d. The City **of Havana** Secondary PSAP personnel **will** answer and dispatch calls to VI 1 without regard to the originating location or **jurisdiction** of the ceiling party and in accordance with existing intergovernmental agreements and the Emergency Telephone systems Act; and;
- e. The City **of Havana** will maintain and repair communications **equipment** owned by said City of Havana. The Mason County Emergency Telephone Systems Board shall be liable for maintenance and repair of **all** equipment installed for **use** as the **Mason** County secondary PSAP. The City of **Havana** Police and Fire **Departments** may choose its vendors for its equipment. **All** equipment installed in the PSAP shall be compatible with the Mason County Emergency Telephone Systems Board selected **PSAP** equipment. Final connections to the PSAP shall be made by the Mason County Emergency Telephone Systems Board chosen PSAP vendor.
- 3 The terms of this contract shall be for **a** period **of twenty** four months from the Mason County system cut-over. The **contract** will be automatically renewed at its **termination** and by each subsequent termination. unless **twenty** four months prior to such termination, either party notifies the other **that** the contract will not be renewed

Dated this 27th day of August, 1999.

AGREEMENTS

12-29-99

For 9-1-1 Emergency Communications

This agreement is made between the Public Safety Answering Point, hereinafter referred to as "PSAP" and the MASON CITY AMBULANCE SERVICE, for the purpose of effective handling and routing of 9-1-1 Emergency calls, for your PRIVATE AMBULANCE SERVICE.

CALL HANDLING (Exhibit 8)

Mason County PSAP Center in the Sheriff's office receiving a call for emergency service in your jurisdiction shall dispatch the call in the following manner:

Primary:

Dispatch via telephone: **1-217-482-5151**
~~1-217-482-5544~~

Secondary :

Dispatch via telephone: **1-217-482-9202**

AID OUTSIDE JURISDICTION BOUNDARY (Exhibit 9)

Once an emergency unit is dispatched in response to a request through the system, such unit shall render its service to the **requesting party** without regard to whether the unit is operating outside its normal jurisdictional boundaries.

The legislative intent is that 9-1-1 be used for emergency calls only. Therefore, all calls of an administrative or non-emergency nature shall be referred to your agency's published telephone number.

The PSAP Center agrees to keep all records, times, and places of all calls. All records will be available to all participants of the 9-1-1 system.

It shall be the responsibility of your agency to maintain the report of call and the disposition of each call received.

All agreements, management, records, and service will be the responsibility of the advisory and policy board. (Mason County Emergency Telephone Systems Board)

The advisory board must approve any agreements or changes in agreements and operating policies.

Once an emergency **unit** is dispatched in response to a request through the system, such unit shall render its service to the requesting party without regard to whether the unit is operating **outside** its normal jurisdictional boundaries.

The legislative intent is that 9-1-1 be **used** for emergency calls only. Therefore, all calls of an administrative or non-emergency nature shall be **referred** to your agency's published telephone number.

The **PSAP** Center agrees to keep **all** records, times, and places of **all** calls. **All** records will be available to all participants of the 9-1-1 system.

It shall be the responsibility of **your agency** to maintain the report of call and the disposition of **each** call received.

All agreements, **management**, records, and service will be the responsibility of the advisory and policy board. (Mason County Emergency Telephone Systems Board)

Any **agreements** or **changes** in agreements and operating policies must be approved by the advisory board.
